

Sure, Mario Kart features a diverse roster of characters, each with their own unique attributes and characteristics. As of my last knowledge update in January 2022, here's a breakdown of the characters you can find in various Mario Kart games:

1. **Mario:**

- Mario is the iconic plumber and the face of the Mario Kart series.
- He is well-balanced in terms of speed, weight, and handling.

2. **Luigi:**

- Luigi is Mario's taller, leaner brother.
- He often has similar stats to Mario, making him a balanced choice.

3. **Princess Peach:**

- Princess Peach is the ruler of the Mushroom Kingdom.
- She is typically a lightweight character with good acceleration.

4. **Princess Daisy:**

- Daisy is another princess in the Mario universe.
- She is often similar to Peach in terms of stats.

5. **Yoshi:**

- Yoshi is a friendly dinosaur and a fan-favorite character.
- He is usually a lightweight character with good acceleration.

6. **Toad:**

- Toad is a small, mushroom-like character.
- He is often very lightweight, providing high acceleration.
